SPORTALOG
2024 EDITION

Abnashi Sports

Company Profile

Dear Colleagues,

ABNASHI - a modern family business with long run tradition and future. Working rigorously for almost three decades, we have always stood out to be a reliable partner for all Sports training equipment as well as Elementary Play supplies. Therefore, we are delighted to present our New Catalogue "SPORTALOG 2024 Edition" exclusively for sports and elementary play equipment

As an OEM, we offer everything a sports house needs from a single source ranging from specific sports and speed training Equipment to teaching and learning materials and much more. Sports houses as well as educational institutions can choose from **our wide array of more than 1500+ products being Manufactured in-House**, well equipped with world's best and most advanced machineries using latest technologies helping us to reinforce ourselves as one of the most dependable manufacturers and suppliers from the Indian Sports industry.

Established with profound efforts and hard work of **Sh. Brij Mohan Dhingra and Mr. Harjas Rai Dhingra**, Abnashi has carved a niche for themselves in the global sports good market through our high standards towards Quality, safety, service and customer satisfaction.

The Company is headquarter in the heart of Meerut City, nearly 60kms from New Delhi, the capital of India.

The family business was joined in by the **Third Generation of the family - Mr. Sabi Dhingra & Mr. Avirai Dhingra** in the year 2016.

The novel know-how and extremely professional behaviour of the youngsters helped in the expansion of the business and hence **gave birth to our brand LYGER in year 2021.**

WHAT MAKES US EXCEL IN INDUSTRY

A strong family-run identity has always encouraged Abnashi's growth.

We have complete In-House Designing, Fabricating, Finishing and Packaging, Container Loading and Dispatch facilities.

Proudly equipped with a team of Expert Professionals delivering their expertise at each area . The environment at Abnashi is flexible and always adapting with the even changing needs of Sports Industry.

Oven a period of nearly three decades in the industry, we have developed economies of scale which enable us to offer the best quality in the most reasonable prices. In the given economic scenarios, our competitive pricing enables us to counter the economic effects of inflation.

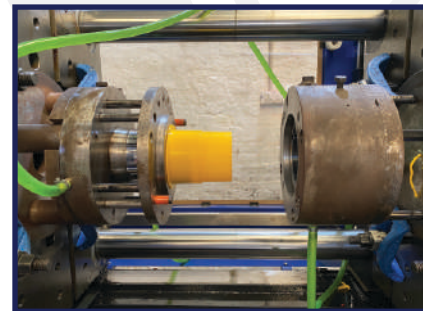

The company's management is dedicates to our client's progress, quality and delivery expectations and satisfaction.
